PERFORMING ARTS AWARDS FOUNDATION
FONDATION DES PRIX DU GOUVERNEUR GÉNÉRAL
POUR LES ARTS DU SPECTACLE**

AWARDS FACT SHEET

The Governor General's Performing Arts Awards (GGPAA) are Canada's foremost distinction for excellence in the performing arts. Created in 1992 by the late Right Honourable Ramon John Hnatyshyn (1934–2002), then Governor General of Canada, the Awards have become a celebration of excellence that introduces Canadians to important artists, raises our awareness of achievement in varied disciplines, and invites us to applaud the performing arts "heroes" whose passion and creativity move, entertain and inspire us.

LIFETIME ARTISTIC ACHIEVEMENT AWARDS

Each year, six **Governor General's Performing Arts Awards for Lifetime Artistic Achievement** are presented for outstanding achievement in the fields of theatre, dance, classical music, radio and television broadcasting, popular music and/or film. Each award is accompanied by a \$25,000 cash prize contributed by the Canada Council for the Arts and a commemorative medallion.

RELATED AWARDS

Two other awards are presented as complements to the Governor General's Performing Arts Awards for Lifetime Artistic Achievement.

The Ramon John Hnatyshyn Award for Voluntarism in the Performing Arts recognizes outstanding service to the performing arts by an individual or group. The recipient is presented with a specially commissioned artwork created by a Canadian artist, and a commemorative medallion.

The National Arts Centre Award recognizes work of an extraordinary nature and significance in the performing arts by an individual artist and/or company in the past performance year. It consists of a \$25,000 cash award contributed by the National Arts Centre (NAC), a specially commissioned artwork by a Canadian artist, and a commemorative medallion.

All commemorative medallions are provided by the Royal Canadian Mint.

THE MENTORSHIP PROGRAM

The Governor General's Performing Arts Awards feature a unique Mentorship Program, a partnership between the GGPAA Foundation and the National Arts Centre. Inaugurated in 2008, the program is designed to benefit a talented early- to mid-career artist. It brings together a past GGPAA recipient with a next-generation artist who has the opportunity to share, learn and grow from the experience and insight of their mentor. The Mentorship Program serves as a catalyst and an investment in future Canadian artistic achievement.

NOMINATION AND SELECTION PROCESS

Nominations for the Governor General's Performing Arts Awards for Lifetime Artistic Achievement and the Ramon John Hnatyshyn Award for Voluntarism in the Performing Arts are submitted by the general public and are reviewed by seven, five-member Peer Assessment Juries composed of performing artists, managers, impresarios, arts administrators, philanthropists, and producers from the discipline being considered. Each jury submits three nominations to the Board of Directors of the Governor General's Performing Arts Awards Foundation, which makes the final selection of the recipients.

The recipient of the National Arts Centre Award is selected by the Board of Trustees of the National Arts Centre (NAC) from a list of candidates proposed by a nominating committee of senior NAC artistic programming staff.
